Dear Friends:

Thank you for your generous donation of toys which was received on December 24, 2013. With your support, we will be able to help families with children who are experiencing homelessness as they progress on their journey toward self-sufficiency.

The Sixth Street Shelter helps people solve their own problems by offering stable housing, weekly case management meetings, a family resource center, and supportive services. We have 25 furnished apartments which not only provides families with the dignity of their own private space, it allows families with two parents to stay together through the crisis of homelessness.

Your gift to the Sixth Street Shelter makes it possible for these families to find jobs, access services, develop stronger life skills and resilience, and secure safe, stable housing. We sincerely appreciate your commitment to helping some of our most vulnerable neighbors turn their lives around. We couldn't do it without you.

Sincerely,

Jessica R. Dreistadt
Director

Thanks for thinking of us! Best wishes for a wonderful and happy new year!
